NEW DELHI, FEBRUARY17

As part of the ongoing celebrations of Delhi Police Week–2026, a series of community-oriented programmes were successfully organized on Tuesday across the 15 police district schools. Students along with teachers visited nearby police stations.

According to a statement by the Delhi Police PRO, the objective of these visits was to make school students aware about the functioning of the police stations, the duties and responsibilities of police personnel, complaint procedures and important emergency helpline numbers.

The visits were designed to build confidence and strengthen the bond between the police and young members of the community. At certain locations, self-defence training programmes were also organised for students, the statement mentioned.

The Delhi Police is celebrating Police Week 2026 with great enthusiasm and commitment from 16 to 22 February. The week-long celebrations aim to highlight the glorious history, achievements, modernisation initiatives, and citizen-centric policing efforts of the Delhi Police.
