SANJAY ARORA
Commissioner of Police, Delhi

MESSAGE

Greetings! Date: 30.04.2024

The month of April was marked by a vibrant array of festivals celebrating our diverse cultures and traditions underlying the spirit of love, solidarity and oneness. But what unifies us the most is the festival of democracy that guarantees universal adult franchise to every citizen. With the general election underway and two phases of polling already completed, citizens of Delhi are looking forward for their polling date approaching in May. I urge every citizen and all members of our Delhi police family to exercise this very empowering right in a responsible manner.

Election season is extremely crucial as far as policing is concerned, as meticulous planning, preparation and execution is required to ensure the safety and security of citizens so that they are able to exercise their right to vote in a free and fair manner. Deliberations are ongoing within Delhi Police and other central police organisations to make foolproof arrangements for the smooth conduct of the democratic process.

In April, Delhi Police pariwar celebrated the 52nd Foundation Day of the Police Families Welfare society. We were honoured to have Smt. Sangita Saxena, renowned educationist and social worker, as the chief guest. The cultural extravaganza put up by the members of police families garnered widespread appreciation.

The UPSC civil Services examination 2023 result has rendered the Delhi Police family extremely proud. It was inspiring to see numerous police wards excel in this prestigious exam, achieving commendable ranks. I deeply admire the indomitable spirit displayed by all those who took on this formidable challenge and emerged victorious through their sheer dedication and hard work. Their success not only reflects their individual prowess but also highlights the high standards of excellence within the Delhi Police family.

Despite the relentless efforts of Delhi Police in combating criminals and criminal activities, including the successful apprehending of dreaded gangsters, drug suppliers, white-collar criminals and impersonators, the true measure of successful policing lies in the optimal utilisation of available resources and talent so as to maintain law and order and safeguard the communities. The Sahayak App developed by the dedicated team of IT Cell, Delhi Police in coordination with DCP/Crime Branch is a perfect example of leveraging technology, resources and talent for crime prevention.

As we move forward, let us continue to uphold the values of democracy, unity, and service to our communities, ensuring a safer and brighter future for all.

Thank you !
