MESSAGE

SANJAY ARORA
Commissioner of Police, Delhi

Date: 30th November, 2022

Greetings!

It was 73 years ago, in the month of November that founding fathers of our Nation adopted the Constitution that contained aspirations and goals of a thriving democracy. On 26th of this month, we celebrated the 'Constitution Day'. It is an honour for us to serve the National Capital. As the law enforcement force, we work round the clock to safeguard the values enshrined in our Constitution.

The day i.e., 26th November is also a sombre day for us. Delhi Police paid homage to the valour of our security forces who laid down their lives protecting the Nation during the ghastly 26/11 terrorist attack in Mumbai. While we remember all the citizens who became victims of the attack in our prayers, as the Commissioner of one of the world's largest metropolitan force, I must assure that we are committed in our resolve and preparedness to protect and serve the city.

Earlier this month, we observed 'Vigilance Awareness Week'. The theme for this year was 'Corruption free India for a developed Nation'. All of us at Delhi Police took the pledge of making India corruption free.

To reduce pollution, we ran an extensive campaign on our social media 'Red Light On, Engine Off' to encourage motorists to switch off ignition at traffic red lights. In addition, another successful anti-pollution social media campaign 'Dilli Maange Pure' was carried to raise awareness.

On 28th November, five of our personnel prevented an armed attack on an undertrial prisoner while he was being taken to jail. I had the honour of meeting and rewarding them for their exceptional professionalism.

We are determined to uphold the law of the land and perform our duties in the best possible manner.

Hope you like this edition of Kissa Khaki Ka.

Jai Hind!
