SANJAY ARORA
Commissioner of Police, Delhi

Greetings! Date: 28.02.2023

This month, this year, Delhi Police achieved the 76th milestone of its existence. I congratulate all the officers, rank and file of Delhi Police for their determined spirit and dedicated action all through these long 76 years of journey.

Various cultural, social, humanitarian, sporting extravaganzas organised by different units and districts of Delhi Police in order to enhance Police-Public connect, made February an eventful month. The raising day parade and the events that followed during the weeklong celebration was a reflection of our resolve and approach towards inclusive policing - taking care of the interests and aspirations of each and every citizen as well as police personnel and their family members.

We all need to take pride in the fact that the Hon'ble Home Minister, Shri Amit Shah lauded our endeavours and reiterated that ours is a modern and elite police force, well-equipped to meet any adversities. The praise bestowed on us for the security, safety and traffic management measures that have been put in place in view of the forthcoming G20 summit; smart policing initiatives; technological upgradation and welfare schemes for police families. These are the indicators to the fact that every action on our part is subject to close scrutiny and it also brings us an additional responsibilities to perform our tasks at each level with similar zeal and dedication.

Delhi Police personnel are already on the path of progression as a result of exposure to qualitative and specialised training as well as enhanced use of modern technology. The amplification of strength of the police force is also ample reason for euphoria and optimism. With the passing out of the 118th batch of Recruit Constables on 22nd February 2023, the strength of Delhi has been augmented further by 4870 Constables including 1790 Female Constables and 380 Male Constables.

It is my firm belief that value addition process should be a never ending one and in sync with the changing dynamics of policing but at the same time we need to exhibit fair play through our sensitive and sensible behaviour so as to exude the confidence of citizens.

Thank you
