2. And whereas, the employees including young women from across the country have been staying in various parts of Delhi while their work place may be in the NCR region and their employers are providing cab service for the purpose of picking up and dropping them from their places of stay to office and back. f. Ensure that during night hours the cab involved in transportation of women employees picks up and drops such employees right at their houses, remains halted at the point where a woman employee has been dropped till she confirms her arrival/reaching at their residence/place of stay through a telephone call.

g. Ensure that, whenever the house of a woman employee is so located that the approach road is not motorable, the duly verified security guard or the male colleague, during night hours, accompanies the employee on foot up to her house and takes a confirmation about her safe arrival.
